

YARD OF THE MONTH

3832 Belton Drive

Wendy and Michelle have been a staple on Belton Drive for many years! These two fabulous ladies have done all of their own yard work, making a modern overlay of flowers above the Palisades Zoysia grass. To highlight the home, they have planted Petunias, Snap Dragons, Shasta Daisies, Purple Fountain Grass as well as the gorgeous Giant Elephant Ears and newly planted Lantana. Congratulations ladies!

3936 Belton Drive

Kyong and Bruce have never let a corner lot stop their ideas of a beautiful lawn, facing 3 directions! The trees have been trimmed to perfection, as well as the bushes along the front and sides of the home. The St. Augustine grass is perfectly manicured, along with Hydrangeas, Roses, and other assorted colorful flowers. This home sets an enormous optical expectation as you drive into our beautiful neighborhood.

In Memory

We lost some of our dear Midway Meadows family this year. Our thoughts and prayers are with their loved ones.

Ice Cream Socials

Thanks to everyone who helped put together our first ever Ice Cream socials, and to everyone who turned out to visit with their neighbors. It made the effort worthwhile, and was a testament to everyone's desire to reconnect after Covid.
