

ANNUAL DUES COLLECTION – The Most Ever!

Thank you to all the residents who have paid their 2011 dues. As of November 15th, 133 of the 223 homes in Midway Meadows have paid their \$100.00 or 60% of the total homes, minus the homes for sale and those occupied by renters, so the percentage is actually higher. This tops the previous high of 126 in 2003 and 2010.

FIRST TIME MEMBERS - WELCOME and THANK YOU

We have had a few homeowners pay their Annual dues for the first time since our last newsletter in August.

Welcome and thank you to:

Annual Block Party – A Huge Success!

October 15th was the perfect day for our annual block party! Close to 100 residents enjoyed meeting and getting to know their neighbors, eating great food from “The Hamburger Man”, and listening to great music by four fine musicians known as “To The Point”. The afternoon also included games for the kids and an amazing Tai Chi demonstration. Everyone in attendance received coupons and prizes donated by several area businesses. Thanks to Fish City Grill, Sweet Basil, Tony's Pizza and Pasta, Hair Loft, City Garage, Mooyah Burgers, Carrabba's Italian Grill, and the 7-11 Store at Frankford & Marsh. Our City Councilwoman Sandy Greyson attended and met with several residents. She also gave out free tickets to the Dallas Zoo and the State Fair of Texas. Thank you to everyone who helped organize our great party this year.

“Block Party was great fun! BIG thank you to all the coordinators! Hamburger Man was delicious, band was good, door prizes & coupons were a wonderful perk! Thank you to all!”

“Please thank all the folks who helped you pull off a really fine event. The hard work put into the preparation was evident.”

“Thanks to you and others who helped you for a lovely afternoon. Great food, enjoyable music, and happy, friendly neighbors – met many new ones. How nice of Sandy Greyson to come and spend some time with us”

**Happy Thanksgiving and
Happy Holidays to you
and your family!**

Revised Timberglen Park Plan

Officials representing the City of Dallas held an open meeting on October 10th to present the plan for improvements to Timberglen Park and obtain resident feedback. The general consensus among those in attendance was to reduce the number of soccer fields from four to two and to retain the current baseball field. We also encouraged the city to install a fence behind the homes on Belton Drive. At a follow up meeting on November 7th, the city showed us their revised plan which included our requested changes. There will now be two new soccer fields and the baseball field will be improved. They also agreed to install a six foot black chain link fence starting at the end of Summerfield Drive, extending behind the Belton Drive homes and along the east end of White River Drive stopping at the Oncor easement where the large cell phone tower stands. They said that Oncor will not allow any fencing within their easement. In addition, to create a barrier to the flow of foot traffic from Timberglen Drive to Belton Drive and White River Drive, two fences will be erected between the west side of the baseball field extending to the fence at the end of Rodale Way. A new parking lot will be added parallel to Timberglen Drive with approximately 105 parking spaces. The park will include a paved hike and bike trail around the perimeter of the park. If funds are available, low level lighting will be installed along the trail. The fence at the far end of the park, near the playground, will be replaced with an eight foot wooden cedar fence. No parking signs will also be installed on White River Drive near the Oncor easement. The current plan is to start construction by the fall of 2012 with completion taking 12 to 16 months. As the details of the plan progress, the city will email our President Mike Fernandes who will then email MMVHOA members.

FRIENDLY REMINDERS AND TIPS

- For those residents who drive the alleyways to access the street and their garage, please watch your speed. Those blind spots from resident's back fences are dangerous. At any time, a resident may be backing from their driveway, and with fences and shrubs, you may not see that exiting car until you are right upon it. So please drive as if a car is coming out of every driveway...PLAY IT SAFE!
- A lot of roof repairs have been going on within our community. Roof repair means nails are used and when they accidentally fall off the roof, they may land in your driveway or the alley. It is best to check for fallen nails.
- Lock your doors, windows, gates and vehicles. Turn on your home security alarm system when you are not at home and even at night when you are at home as intruders may enter your home when you are asleep. Keep your garage door closed at all times as strangers routinely drive and walk our alleys. Do not leave valuables in your vehicles parked outside including your garage door opener that can gain easy access to your home.
- When you are out of town, have a neighbor pickup up your newspapers, packages, and front door flyers, and buy and install timers for porch and inside lights.
- Get to know your neighbors. Then be observant and look out for your neighbors. If you hear alarms sounding, don't ignore them. Call 911.
- If you see something suspicious, make a note of as many details as possible and report it.
- Call 311 to report loose dogs and cats. Pets are not allowed to roam free. Keep your pet confined at all times or on a handheld leash per Dallas Animal Services.
